RE: Request for Quiet Zone sign for the 400 block of West Market Street

Dear Borough Manager,

I am requesting that the 400 block of W. Market Street become zoned as a Quiet Zone.

It gets really loud late at night with the kids coming home from bars. In addition, there are some houses on the block who throw parties into all hours of the night. Apparently there is some confusion on the block about what time it needs to be quiet.

Can this please be discussed at the next council meeting and if you need any further information, please let me know.

Sincerely,

Phil Wax
