Proposed work: Proposed new double sided post mounted sign to be installed in the front yard of the property.

Recommendation from HARB: *Approved as presented.*

- b. 2021-20: 329 North High Street – Thomas Dougherty
Proposed work: Proposed new fence at juncture of side-yard and alley; replacement of existing fence; proposed new fence to extend to juncture of side yard and front yard. Fence to be 6'cedar slats as seen throughout the Borough. – Also proposed: completing rear portion of house so that it mirrors the other half of the Georgian twin. The ground floor footprint will not change; the second floor and third floors will expand to form a continuous rear and side façade. Windows and doors will be re-arranged per drawings to bring the fenestration rhythm in keeping with the rest of the house.

Recommendation from HARB: *Approved with the following conditions:* The Board recommends a Certificate of Appropriateness for Application 2021-20 with the additional options; the portion of the fence along the alley could be either built as shown along the property line but also inset from the edge of the carriage house by 8'-12" and that the HARB would like to see all of the cedar fence on the lot replaced with new cedar fencing; also that both options for the eave/gutter condition discussed were acceptable. (1) Keep the pole gutter on the existing bay, and have the applied gutter on the addition terminate in the corbeled brick cornice or (2) remove the existing pole gutter and apply a gutter to the existing bay and match the gutter placement on the proposed third floor addition.

How to Engage in Public Comment During a Borough Council or Committee Meeting

Public Comment is heard at three different points during Borough Council meetings:

- ***BEFORE CONSIDERATION OF ITEMS ON THE AGENDA*** - The public is permitted to make public comment on any matter not on the agenda. You will have three minutes to make your statement, unless the President or Chair has announced otherwise, so please come prepared.
- ***BEFORE ACTION*** on a motion or an agenda item. Public Comment at this stage is limited to the item under discussion. As above, please keep your comments to three minutes.
- ***AFTER ACTION ON ALL AGENDA ITEMS HAVE BEEN ACTED***. Public Comment is open to any legitimate item of business that can be considered by Council or the Committee. Again, please keep your comments brief.

How to make a comment:

- The President or Chair will announce an opportunity for public comment, either on a specific issue or generally, depending on where we are in the agenda (see above).
- After you are recognized by the President or Chair, come to the microphone, and state your name and address for the record.
- You may then make your comment or ask your question. As noted above, you will have three minutes to make your statement, unless the President or Chair has announced otherwise.
