- 1) ***Application Number (if applicable):*** 2021-1
- 2) ***Date of PAC Review:*** April 26, 2021
- 3) ***Original Public Art Project Proposal:***

The applicant, Henderson High School student Grace Breen, has developed a project in which local student musicians will have an opportunity to publicly showcase their talents by means of an electric piano set up in an outdoor public space.

Ms. Breen has secured sponsorship from Taylor’s Music Store and Studios (116 W. Gay Street), who have agreed to supply the electric piano. And Ms. Breen is engaged in promising talks with the property owners of 44 West Gay Street to utilize their plaza (and electricity) to stage the event. Specific sidewalk locations have been selected as alternatives if necessary.

Performances will occur every Sunday in June 2021 from 10am – 1pm. Performers will pre-register for select time slots (organized through SignUpGenius), and each day will end with a free time slot available to the general public for impromptu performances.

Ms. Breen’s intention is not to create a large spectacle, but for performances to simply contribute to the atmosphere downtown. Constant supervision by responsible parties will be maintained, and regular cleaning/sanitizing measures will be in place.
