

ARTILLERY

Petition of Neighbor Approval of Artillery Brewing Company Outdoor Alley Seating Area

As a neighbor facing the front of Artillery Brewing Company on Granite Alley, assuming that any noise from the patrons in their outdoor alley seating area is kept to a modest level (no outdoor music or unreasonable extended noise) and the outdoor space is not open later than 9PM during the week and 10PM on Saturday, I have no issues with their public use of this outdoor space. If there are any issues that arise, I will expect Artillery to address them directly and immediately.
